Jeannette Keen on a vacation in Florida was involved in a serious car accident in early February 2015. She is currently a patient of Bridgepoint Healthcare Centre here in Toronto undergoing rehabilitation and is progressing very well. Jeannette hopes to be home in the next couple of weeks.

Home invasion took place at the home of **Robert Ming-Sun** in Johannesburg in late January 2015. Maureen was not home. Robert was physically assaulted by 2 robbers and they stole a variety of items. Luckily, a neighbour waved down the security who were on patrol and they apprehended the perpetrators and charged them. When Maureen got home, there were police and security vehicles around and ambulance to attend to Robert. Fortunately he suffered minor injuries and was cleared by the paramedics. Robert has overcome this traumatic incident by attending counseling and is now back to his regular routine of playing Ma Jong!
